

Modular System - Beige / Grey / Blue

is an ideal plastic filing system based on standard modules which can be interlocked and stacked on top of each other.

The basic system is based on four drawer sizes which can be interchanged in the ratio of 1 : 2 : 3 : 4. All cabinets can be supplied with / without central locking system. Made from High Impact Polystyrene.

Applications

Due to the system being modular in nature, these systems are used in a large variety of applications like Offices, Hospitals, Homes, Electronics, Engineering and Textile Industries.
