

ALKON DRAWER CONTAINERS

Made from High Impact Polystyrene, these drawer containers are ideal for storing hardware and standard parts inside drawers of tool cabinets

- ▶ These drawer containers are available in 6 sizes.
- ▶ These drawer containers when positioned, inside the standard tool cabinet drawers make easy and well defined compartments for each type of part stored in them.
- ▶ These drawer containers being modular help in organizing the drawers of tool cabinets to store different parts very easy.
- ▶ Each Container has a label holder which permit the insertion of labels for easy part identification.
- ▶ These containers are individually removable if required in the drawer.
- ▶ These containers are available in blue colour only.
